

Accessibility for Ontarians with Disabilities Policy (AODA)

Policy Type: Administrative

Approver: Colleen Dorion

Approval Date: August 9, 2026

Author: Julie Mulligan

Purpose

The Accessibility for Ontarians with Disabilities Act, 2005 (the AODA) is a provincial act with the purpose of developing, implementing and enforcing accessibility standards in order to achieve accessibility for persons with disabilities with respect to goods, services, facilities, accommodation, employment, buildings, structures and premises.

Under the AODA, Ontario Regulation 429/07 entitled "Accessibility Standards of Customer Service" establishes accessibility standards specific to customer service and the provision of goods and services to the public.

The Kemptville District Soccer Club (KDSC) is expected to meet the requirements of accessibility standards established by the AODA. This policy applies to all KDSC staff, volunteers and similar parties who work with our members.

Policy Statement

KDSC is committed to providing goods and services in a way that respects the dignity and independence of people with disabilities and will use reasonable efforts to ensure its policies, practices and procedures are consistent with the spirit and requirements of the Accessibility Standards for Customer Service.

Assistive Devices

A person with a disability may provide their own assistive device for the purpose of obtaining, using and benefitting from the KDSC goods and services that are made available for the public. On-field play: KDSC will take into consideration if the assistive

devices pose any risk to the safety of others and devices meet FIFA/Canada Soccer/Ontario Soccer regulations.

Service Animals

KDSC strives to welcome people with disabilities who are accompanied by a service animal on the parts of our premises that are open to the public. For On-field play: KDSC will take into consideration if the service animal poses any risk to the safety of others and meets FIFA/Canada Soccer/Ontario Soccer regulations.

Communication with Persons with Disabilities

When communicating with a person with a disability, KDSC will do so in a manner that considers the person's disability.

Support Persons

KDSC is committed to welcoming people with disabilities who are accompanied by a support person. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while participating in our programming. KDSC will allow access to the support persons free of charge, unless they will be actively participating in the program.

Notice of Temporary Disruption

KDSC will make reasonable efforts to provide notice in the event of a planned or unexpected disruption in the facilities or services where they have control over such facilities or services. This notice will include information about the reasons for the disruption, its anticipated duration, and a description of alternative facilities or services, if available. KDSC will provide notice by posting information in visible places on the affected area, on our social media sites and on our website.
